Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why is it so easy for us to allow other things to cloud the issue of salvation?

How does the phrase "one offspring" encourage you to live as a believer toward other believers?

Why do you think the Pharisees and Judaizers were so eager to add other rules to the lives of their followers? How do you see that same tendency in yourself?

Why is it important for us to understand that God is unchanging?

How does knowing that those in the Old Testament were saved by faith encourage you in your walk today?
