Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why is it important to remember that the Promise to Abraham came before the Law of Moses?

When the Law is applied from the gospel, we're able to see it in its proper place. What are examples of good uses of the law? What are examples of poor uses of the law?

Why is it important that we see ourselves as fully adopted children of God and not merely rescued sinners?

Why is it important for us to distinguish between unity and sameness in the gospel?

How does God use baptism to remind the church of the gospel and their identity as heirs? Have you been baptized? If not, talk to your Community Group Leader about next steps.
