Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse, or comment that caught your attention, challenged you, or raised a question?

Thinking about those that have poured into you or helped to shape your faith, what about them or their time with you made the greatest impact?

We are promised that if we follow Jesus, we will experience persecution and hardship. How can knowing this bring courage rather than fear? How can we help those we disciple to understand this?

How do you, or how can you, preach the gospel to yourself on a daily basis? Why is this specific act so important to our faith?

Read 2 Tim. 3:16-17. This year, how do you need to more greatly apply the supremacy and sufficiency of God's Word to your life?

Parents/Grandparents: We often only share the fun stories with our kids/grandkids. What has been a hardship you have walked in and how did God bring you through that? Have some sharing time with them and ask how God has rescued them as well.
