Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse, or comment that caught your attention, challenged you, or raised a question?

Explain the difference between a "spiritual person" and a person of the "flesh" in this week's passage. Also, explain the difference between "milk" and "solid food" in the context of I Corinthians 3:1-9.

How can a believer in Jesus still live as a person who does not have the Spirit?

A person comes to faith by hearing the gospel of Jesus, but how does a person continue to live in that gospel every day?

Are you ready for your life to change? As a believer in Jesus, one who is spiritual, are you ready to leave the flesh behind and become a mature, spiritual adult? How will you do that?

God gives the growth. How have you seen that happen in your life?

We are God's fellow workers. How has God gifted you to work in His field? Where is that happening in your life?
