#### Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What is your favorite Easter tradition that your family participated in when you were a child?

What does it look like to prioritize the gospel in your relationships?

How would you explain the gospel to someone who did not know anything about the Bible or Jesus?

Thinking through the witness to the resurrection listed in verses 5-8, which of those groups do you find the most compelling as witnesses for the gospel?

How does it change your perspective to know that the gospel has a greater purpose than just reaching your heart? Who in your life needs to hear the gospel this week?
