#### Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why do we find it so difficult to seek the good of others, especially unbelievers?

When should Christians be concerned about the opinions of others? When should they not be?

How should the gospel shape how we argue what we know to be true?

Who's life has been an example of Christian living and love to you? What about their life sets that example?

Are there things you should change in order to better seek the benefit of others so that they might be drawn towards Jesus? Explain.
