Distinction, not Disconnect

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What experiences do you have with head coverings in this or other churches? What do those experiences tell you about the application of this passage?

How does the cultural implication of the head covering that Jim discussed change your perspective on this passage?

How does our conduct within our marriage reflect on the gospel?

Discuss how you understand Warren Wiersbe's quote: The important thing is the submission of the heart to the Lord and the public manifestation of obedience to God's order.

How can we prevent the differences in the marital roles described in scripture from becoming a disconnect between men and women? *For a list of marriage roles see Ephesians 5:22-30.*
