Types of Giving

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Share with your group what immediate response you have to teaching on giving. How much teaching have you heard on giving?

Do you agree that giving is a barometer on your life as believer? Why or why not?

How do you respond when you become aware of need in the church? What about outside the church?

Share a situation where someone demonstrated love for you through giving.

Which of the three types of giving (Planned, Load-sharing & Dependence Generating) discussed do you find the most challenging? Which is most rewarding to you? Where do you think you have the most need for personal growth?
