The Design of Mutual Need

To Prevent Division

To Produce Interdependence

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

In what way does our mutual connection to the Holy Spirit change your view of brothers and sisters in Christ?

Verse 18 tells us that God arranged the members of the body as he chose. Where do you see yourself fitting in our church body?

How do you think the spiritual gifts help prevent division in the body?

How does knowing that our gifts and abilities are directly tied to God's design encourage you in your daily walk?

Why do you think the various lists of gifts even in the book of I Corinthians aren't all the exact same list or in the same order? What do you think God is drawing our attention to in the various lists?
