#### Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What effects have you seen from people proclaiming the gospel without love for the person they are sharing with?

Think through your average week. How can you make sure that you prioritize love over all things?

Looking at the list of love virtues and knowing they are Fruits of the Spirit, where do you see God stretching and shaping you to demonstrate love better to those around you?

What encouragement do you find in knowing that we are promised to see fully what we only now see dimly? How does this encouragement spur you on in your faith?

Reread verses 4-7 replacing "love" and "it" with "Christ." How does this prompt you to worship him?
