God's Command over Prophecy

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

The four-step process of understanding scripture was laid out as: 1. Basic understanding, 2. Direct context, 3. Trusted Interpretations and Interpreters, 4. Faithfulness to the full counsel of scripture. How can you interact more with that process in your personal spiritual life?

How do you "test everything" that you are taught as Paul instructed in I Thessalonians?

How does the statement that God is not a God of confusion but of peace help you to walk in difficult texts?

How does the church encourage and aid you in your family life? Where could we grow as a body in this area?

How do all things being done decently and in order help us grow individually and collectively?
