A Church of Strength

A Church of Servants

A Church United

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What aspect of our series in I Corinthians do you feel the most challenged or convicted about?

How do you think verse 14 changes your reading and understanding of verse 13 in chapter 16?

Where do you see evidence of servant leadership most strongly in our church? Where do we have the most room to grow in our servant leadership as a church?

It can be difficult to feel united to other churches in our culture. How can you personally practice more unity with the global church?

The greatest unity in the church is in our gospel mission. Spend some time as a group praying about where the Lord is calling you to share the gospel. Share specific names of people that God has brought into your life that you can share the gospel with.
