Keep on Learning and Living God's Word

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What difference has it made in your life when you have a godly example to follow? How can a person go about finding a godly person to follow?

How does it help to know that the more closely we follow Jesus, the more likely we will encounter opposition and persecution?

Why would it be counterproductive to teach that if you follow Jesus, your life will be easy?

Explain the importance of parents and grandparents being godly examples to their children and teaching them God's truth in Scripture.

Are you continuing to learn and live the Scriptures? How are you pursuing that study?
