Queen Vashti's Refusal

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Share a time where you had bad things happen in your life that God ultimately used for good. How did that experience change your walk with God?

Worldly leadership exalts itself. Where have you seen that impact the church?

How does Queen Vashti's refusal reflect on Ahasuerus' authority?

Finding good advisors is important for believers. The king's advisors gave him terrible advice. Discuss advisors that have given good advice to you in your life and what characteristics defined them.
