Living with Joy and Gladness

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why is it difficult to consider the needs of others as being more important than our own?

Esther was so persistent in her request to the king to rescue her people. How persistent are you in your own prayer life? Why can it be so difficult for us to be persistent in prayer for a particular thing or person?

We have been granted a great salvation. Do you tend to live with this salvation in view or are you weighed down by the hardships of life? How can you more readily live with joy and gladness in your heart?

Read Hebrews 7:25. What does it mean that Jesus lives to make intercession for us? How does this impact you and encourage you as you continue following Jesus in this life?
