Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Are you overwhelmed by God's Grace? Why or why not? What can you learn from Paul regarding the humbling effect God's Grace had on him?

Together with others, begin to list the "unsearchable" riches of Christ that you see in Him in Scripture. Why is it right to say the riches of Christ are unsearchable or incalculable?

Discuss with others how you can proclaim the unsearchable riches of Jesus to others. How would you describe Jesus to others? What is the best way for you to personally learn of the riches of Jesus for your own life?

In light of this passage, seeing the gift of God's grace, knowing how so many different kinds of people come together to be the church, and our witness to the angels, how has your view of the church changed?
