#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

In what ways do you see God's sovereignty and man's prayers working together?

Why do you think Paul prayed that they would be grounded in love and not in knowledge?

How have you seen God grow the strength to comprehend his love in your life?

How is Matthew 19:26 an encouragement to you in your prayer life?

What does Ephesians 3:20 tell us about our prayers and their importance?

Spend some time praying for non-believers in your life, specifically that God would do far more abundantly than we think or ask in their lives.
