Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Discuss the 13 commands in these verses or the 6 points of the sermon that summarize them. Which of these have been the most difficult for you to "put off" or "put on"?

Discuss with others how you have learned to live this kind of a new life in Christ.

How can we grow in our love for others, and when we fail, how should we deal with it?
