#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What does verse 16 mean to you in your daily life? How can you be "making the best use of the time?"

What are some practical ways that you can make better use of your time?

How does communal worship edify the body? How do you feel it edifies you specifically?

What role do you feel corporate prayer plays in your life? How could you grow in that?

What does mutual submission look like in the life of a Christian?
