Going Together, in Different Directions

God to Move

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How do you see the armor of God and the concept of prayer working together?

Of the four aspects of prayer that Paul laid out, which do you struggle most with?

Continuous Prayer, Praying in the Spirit, Persevering in Prayer, Praying for all the Saints

What does it mean that Lord will give you the words to speak? How can we practice this?

How can we be going together but in different directions? Is there a specific area of your life that you feel challenged in this?

Spend some time praying together, specifically for the blessings of peace, love, and faith.
