#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How do you see the sins of pride and covetousness linked? How can one lead to the other?

In what ways does the familial identity of the Israelites aid them in their struggle against sin? How does it hinder them?

How can we help each other avoid the temptation of pursuing preaching that doesn't challenge us?

Describe a way that you have learned to go to scripture with an open heart and mind. What are some guardrails that you use to keep from straying?

How does God stepping in to gather the remnant encourage you?
