#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How does living in the expectation of a perfect future give you hope in your life today?

Why do you think God gives us visions like the ones shared by Zechariah instead of plainly stating what the future will look like?

How does the knowledge that the future is the work of God alone bolster your faith?

Reread Ephesians 3:20-21 as a group. How can you grow in your prayer life as a reflection of the truth of those verses?
