Biblical Training IS a Reminder and a Charge

Biblical Training IS a Discipline to be Lived

Biblical Training IS NOT about Me but about Us

Biblical Training IS NOT the Source of our Salvation

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why do you think we need to be reminded of the gospel so frequently?

How do you fall into the trap of seeking to grow in knowledge but not living it out? What are some ways you try to avoid that?

In what ways do you see Biblical Training as a group effort?

Why do you think verse 19 reminds us that God's firm foundation stands?

Our passage says a couple times that there are actions we are called to. How can we help each other avoid the trap of trying to earn our salvation?
