#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What is your typical response or reaction to God's call on your life (i.e fear, excitement, etc)?

The disciples were promised to have power when they received the Holy Spirit, whom we as believers have as well. How does this truth encourage and sustain you as you think about what God has given you to do?

What are some of the obstacles you face in waiting for God to lead and guide you?

What have you found helps you to trust in God's providence and power?

Take some time to give God glory by sharing together how you have seen Him answer expectant prayers in your life.
