#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What do you think you would feel if you were there to see and feel the day of Pentecost?

How does the reality of the indwelling of the Holy Spirit change your perspective on your own life and trials?

Why do you think it is important that the Holy Spirit guided their words on the day of Pentecost?

How do you see the day of Pentecost connecting with the mission and ministry that God had planned for the church? Where do we need to feel that passion more in our lives today?

What does it mean when we say "When the Holy Spirit goes, we go with him."?
