Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How does the person or people you are sharing with change your gospel presentation?

Why do you think Peter uses the prophecy of Joel to reach the gathered crowd? What phrases from the passage and Joel do you think point to Jesus most clearly?

How does understanding the unity in the Trinity help us understand the connection between Jesus' work and the Holy Spirit's work?

How does it help us understand scripture more clearly to see all of scripture pointing us to Jesus?

The gospel presentation was broken down into two steps: Know their questions and know that Jesus is the answer. How can you see yourself applying that in your life this week?
