Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What was your first impression of the church? What did you see displayed in those first gospel people that was different than what you had known before?

In which of those four areas (The Apostles' Teaching, The Fellowship, The Breaking of Bread, The Prayers) do you struggle most in your devotion to the Lord?

What does it mean to be committed to each other within the church? Is it different in a local church versus the global church?

What is the difference between our knowledge of devotion and commitment and living out those things?

How does this picture of the early church challenge you in your walk today?
