#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What stood out to you about the prayer that was shared by the group of friends gathered together?

How have you experienced the blessing of corporate prayer? How does it differ for you from private prayer?

What would it look like for prayer to become a staple in your life and community?

What truths about God do you most cling to when you walk through trials and hardship?

Why should we pray for boldness? What does this look like in your life?
