A Model for Community

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

In Ephesians 4:3, Paul tells the church to be "eager to maintain the unity of the Spirit in the bond of peace." What is God's role when it comes to unity? What is our role as a community of believers? How do we fulfill our role?

Drawing from Acts 4 and other places in the New Testament, what are some markers of a community experiencing great power and great grace?

What did generosity look like in the early church? How then, should we pursue generosity in our church today?

We see the impact of Barnabas' gift of encouragement on the early church. Why do we need a culture of encouragement in our church today?

Take some time to model after the early church and pray. Pray for one another to be bold to share the gospel. Pray for unity in our church and that the gospel would remain primary.
