Sin in the Camp

The Principle of Giving

When Iron Doesn't Sharpen Iron

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How serious is this sin of lying that Ananias and Sapphira committed? Why do you think our flesh wants to treat some sins as more serious than others?

How is your love for God reflected in your heart toward giving?

Does the punishment of death on both Ananias and Sapphira feel appropriate to you? Why or why not?

Share about a relationship in your life that is a good example of Iron Sharpening Iron. Why was that relationship helpful to you as a believer? Where could it have been better?

How does a right view of God's holiness grow your fear of God?
