Sin is Contagious

God is in Control

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

In what way do you see the gospel dividing in your own life?

How does walking in community help us in our fight against sin? How can we continue to grow in that fight?

Share an area of your life where it is hard to see and believe that God is in control. Spend some time encouraging each other in those areas.

How does the response to Stephen's sermon encourage you to share the gospel with those in your life?
