Lament Honestly

Question Completely

Doubt Deeply

Remember Rightly

Worship Confidently

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why is it that we struggle with the biblical practice of lament in our culture? How can we grow in this area?

Why is it good news that God is sovereign over our suffering?

Take some time to pray for those in your group or our church who are facing trials right now.
