Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why is it significant that it's Philip (and not the apostles) who brings the gospel to the Ethiopian Eunuch?

Review the passage the eunuch was reading in Isaiah 53. Why was it important for this man to see that the innocent Lamb of God was substituted for him. Why is that important for us?

If the eunuch had not learned the truth from God's word and Philip's guidance, what are the things that would have prevented him from getting saved and baptized? What are things that prevent people today from being saved and baptized?

There is no verse 37 in most of the modern translations of this passage, which includes the ESV. Bible scholars use what is known as textual criticism to determine what is most accurate. What do the earliest manuscripts have to say about why we don't include verse 37? Does that have any impact on the meaning of the passage, which is a narrative?
