

## Woodland Park Community Church

### We Follow Jesus and Lead Others to Follow Jesus

#### Miracles

Acts 9:32-43  
August 31, 2025

Miracles are not a leap into the dark, but a leap into the light.

Miracles are not a suspension of the natural order, but a return to the natural order.

Miracles never point to the miracle of a man, but to the gospel of Jesus Christ.

#### Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Talk about how discipleship and evangelism work together in disciple-making. What does this look like for your group?

Read 1 Corinthians 12:7-11. Why are gifts given to people in the church? Does everyone have the same gift? Who decides how the gifts are dispersed?

Read James 5:13-16. What is the model for addressing sickness and suffering in the church?

Errors occur when the truth of Scripture is taken too far or twisted. Example: Healing requires faith. (True). Faith requires healing (Error). How do we remain faithful to what God's word truly says? How do we lovingly help those who might have learned meaning from Scripture that is not in context?
