The “Deserving” Gentile

A Vision for Peter

Small Group Questions:

Thinking about this week’s teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Share with your group the people in your life that you have shared the gospel with that have not yet been saved. What have you learned about God through that?

What does it mean to you that you don’t received salvation because you deserve it? How does that or should that affect your evangelism?

How does Cornelius’ calling change the church?

In what ways do you identify with Peter’s response to God’s command to take and eat?

Read Titus 3:4-5 together. Why is it important that we understand we are saved by works done by us?
