#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Where have you seen the greatest evidence of the gospel breaking cultural boundaries in your life?

How has the gospel been an encouragement to you this week?

What are some cultural distinctions that you sometimes allow to define you? What makes those things so easy to allow to define you?

In what way does the gospel encourage you to be generous? What are some areas where you feel the need to grow in your generosity?
