Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why does God allow persecution in the church? What are some examples of persecution in our day?

What are the greatest challenges to prayer that we face? How can we be intentional to pray?

Spend *significant* time in prayer. Share openly and honestly with the Lord. Try to spend less time on requests and more time praying.
