Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What would you say is your biggest hinderance to sharing the gospel? What help could your group or the church give to overcome that hinderance?

How have you experienced multiplication in the church? Share some successes and failures you have experienced with multiplication.

In what way is the gospel compelling to you today?

How does Paul's experience of both sin and grace enhance his ministry? How does God use your past sin and understanding of grace to enhance your witness?
