#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What about Paul's sermon in Pisidian Antioch most resonates with you?

Explain how Paul was faithful in proclaiming the gospel, but also flexible with his audience?

What are the parts of the gospel that Paul proclaimed to the Jews and God-fearing Greeks in this sermon?  
How are these the same we speak to people today?

Discuss with others in your group the different types of people we share the gospel with today and how the context can change with each one, but keep the gospel the same.
