Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

In sharing the gospel, how does having a right or wrong understanding of what success looks like impact you?

Why do we feel the need to defend ourselves against people who speak ill of us? Why do you think Paul and Barnabas didn't worry respond to the evil spoken against them?

What is a way you have used your current stage of life to lead into discussions about God's saving presence in your life to others around you?

Why is humility as we share the gospel of utmost importance?

What ways has God been working in your life recently to "not leave Himself without a witness" that you can share with others?
