#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why do people have a difficult time embracing the message of Grace?

What "Jesus-plus" gospels have you heard or even held to? How might this passage help you respond to those wrong understandings?

2 times in Acts 15 we are told that God chose to save us. How does this bring you encouragement and hope?

Take some time and reflect on the gospel of Jesus Christ. What excites you and causes you to be in awe of God? Take some time to declare and remind each other of God's amazing work in salvation.

How does reflecting on the good news of the gospel help us pursue a life of loving Jesus?
