Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Look at Acts 17:2-3. What stands out to you about the way Paul shared the gospel?

What about this way of sharing encourages you? Makes you nervous?

In our current world, how do you see opposition to the gospel?

How does this passage encourage you in the face of that opposition?

The church in Berea eagerly examined the Scriptures. What area of scripture and knowledge would you like to grow in?

In what ways might you actively engage those in our community in order to share the gospel with them?
