#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How have you seen your desire to share the gospel change as a reflection of your communion with God?

How can your group challenge each other to commune more deeply with God this week?

How does Paul's love for the lost reveal itself in his sermon (verses 22-31)?

Why do you think people need to reach "rock bottom" in order to be impacted by the gospel?

What are some ways you have been able to draw people to a response when you have shared the gospel?
