Christ's Resurrection Fulfills the Law

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How can we help each other rest in the finished work of Jesus, rather than our own works or "the law"?

What does it mean that we are free from even clinging to our own justice when we are mistreated?

How does confessing sin help to free us from bondage to sin?

Why do you think it is important for us to understand that Christ fulfilled the law and didn't just abolish it?

Take a moment to encourage one another in how God is using each one of us. Share where you have seen growth or change or greater gospel fruit in each other's lives.
