Extraordinary Means in Ordinary Circumstances

#### **Small Group Questions:**

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

What does it look like to abide in Christ? How do you know when you are abiding in Christ and when you are not?

Share a time in your life where you experienced God using ordinary means in extraordinary circumstances in your life. What did that teach you about God?

Why do you think we so easily forget that God knows the secrets of the heart (Psalm 44:20-21)

Describe a time in your life when you thought something happened that was coincidental but later you realized God had orchestrated it.

How does God being in control change your outlook on the trials in your life?
