Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How does the calling of being a blessing to people around you bring you encouragement? Bring you fear or caution?

How did Paul's life and example offer a clear witness of God's presence and provision on this trip?

How have you seen God use the hardships that you have endured to bless people around you and even give opportunity to witness to others?

What specific ways can you be a blessing this week to those you are already engaging in your life?
