Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Can Christians have Jesus as their Savior but not as their King? Why or why not? How have you emphasized Jesus' kingship in your own life?

If the Messiah was to subdue his enemies, why did Jesus focus on long his enemies in the New Testament? How does the redemptive story of the Bible help you answer this question?

Why is it necessary that Jesus be both a king and a priest? What does each role contribute to Christ's work?

How might you explain Jesus's role as King-Priest to someone who is not familiar with the Bible?
