The Lord's Presence.

The Lord's Actions.

The Lord's Abundance.

Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Share with your group what your favorite Psalm is, if you have one. What is it about that Psalm that you resonate with?

In what way did David experience all flesh coming to God in his day? How does that look different for us today?

How else do you see Psalm 65 pointing us to Jesus, beyond what was shared in the sermon?

Where have you seen God's abundance in creation that has encouraged your walk with him in the past week?

How does the act of taking communion reflect the heart of worship in Psalm 65?
