Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

Why should we become more and more passionate about God's Word?

What would an insatiable thirst for God's Word look like? Describe a time in your life when you experienced that.

How does pride work against us to be in God's word, and how can we combat pride and its effect on our lives?

Do you reflect on the gospel, speak its message to yourself, and praise God for it on a daily basis? How can you make this a more prominent practice in your life?

What are ways you can create a better rhythm of abiding in God's Word in your life? If you already have a good rhythm, share how with your group.
