Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

How have you seen God use the power of your testimony in your own life and the lives of others?

Why is it important that the gospel that Paul preached came directly from the Lord and not through man?
How can our understanding of the gospel come directly from the Lord and not from man?

In what way do you see evidence of the gospel in your own life? How do you see it playing out in the people in your group? (Be specific)

Break up into groups of three and share your brief testimony with each other: Who you were, how God moved, and how you responded.

How do you feel God calling you into gospel ministry today?
